Ki McGraw's diligence, research & dedication to the physical, mental & spiritual well being of humankind has strengthened & evolved over 30 years of professional service. Ki is eclectic in her approach to Yoga instruction & emphasizes a strong Asana & Meditation practice that emerges from the core of the body & inner self. She is a strong, charismatic teacher who is well grounded in the ancient tradition of yoga. She is a radiantly beautiful yogini who models poses to exquisite perfection. Her supportive way of instructing helps students feel good about their own practice.
